Journal - Dec 15

A trophy honoring Milton J. Antonick, UD sophomore from Mount Vernon, O., will be presented the University of Dayton Friday morning at an assembly in the fieldhouse.

The trophy has been awarded by the Fisher Body Craftsman's Guild in recognition of Antonick's winning entry in the guild's 1955 model car competition.

In the competition, Antonick won first place state award in the senior age division for Ohio and won \$150. He also won top regional honors for Ohio and Michigan and received an expense-free trip to Detroit to the guild's national convention. His model then won the grand national award, a \$4,000 scholarship.

Donald C. Metz, director of the UD technical institute, in which Antonick is enrolled, will present the 27-inch trophy to the Very Rev. Andrew L. Seebold, SM, UD president, who will accept it in the name of the school.
